Röchling

Automotive

The Röchling Group has been shaping industry. Worldwide. For more than 200 years. We transform the lives of people every day with our customized plastics: they reduce the weight of cars, make medication packaging more secure and improve industrial applications. Our workforce of 11.681 people is located in the places where our customers are – in 83 locations in 25 countries.

In the Automotive division, you will shape the mobility of tomorrow. System solutions in the areas of Battery Solutions, Structural Lightweight, Aerodynamics and Propulsion. This means: We protect the environment while also improving the driving experience of millions of vehicles.

It is time for a new challenge. And time to arrive where you want to be. We have grown steadily, together as a team. Would you like to grow too? For us and with us? If you answered yes, we have career opportunities for you Do you have what it takes to spur game-changing innovation? Do you crave being a part of the solution, while enjoying training and learning opportunities?
