

The Röchling Group has been shaping industry. Worldwide. For more than 200 years. We transform the lives of people every day with our customized plastics: they reduce the weight of cars, make medication packaging more secure and improve industrial applications. Our workforce of 11,737 people is located in the places where our customers are – in 92 locations in 25 countries.

In the Automotive division, you will shape the mobility of tomorrow. System solutions in the areas of Battery Solutions, Structural Lightweight, Aerodynamics and Propulsion. This means: We protect the environment while also improving the driving experience of millions of vehicles.

For our ESM Global Team in Laives (BZ) we are looking for a:

SharePoint Specialist (m/f/x)

Where we need you

In this role, you will play a crucial part in managing inter-departmental projects within our Automotive division, contributing significantly to the improvement of SharePoint platform.

Main responsibilities:

- Support the implementation and maintenance of both new and existing SharePoint solutions
- Develop and maintain documentation for custom projects and solutions related to SharePoint
- Assist in the integration of SharePoint technologies
- Provide training to internal clients and offer technical support at the second-level
- Conduct internal tests regarding user acceptance
- Collaborate with the project team in the development and deployment of specific solutions based on client-requirements.

How to convince us

- Completed university studies in business informatics, computer science, or a related field, or equivalent experience
- Ideally, familiarity with SharePoint, Microsoft Teams, and OneDrive
- Previous experience in user interface best practices
- Fluent in both English and Italian; knowledge of German is a plus

- Knowledge of other tools within the Microsoft 365 platform, particularly Power Platform, is desirable

The ideal candidate possesses an analytical and independent work approach, effective communication skills and strong problem-solving abilities focused on finding solutions.

What we offer

- Individualized new-hire training plan, flexible working hours, overtime compensation, working time account, opportunity to work from home, free on-site parking, company canteen, supplementary pension plan, access to the Corporate Benefits web platform and discounts with local businesses
- Opportunity for professional and personal growth in a fast-paced environment with challenging objectives
- Consistent access to both internal and external training programs for personal and organizational development
- Certified as a Famiglia&Lavoro Audit-approved entity by the Autonomous Province of Bolzano
- The opportunity to work within a modern, technologically advanced production plant while experiencing the values of an international family-owned business
