

The Röchling Group has been shaping industry. Worldwide. For more than 200 years. We transform the lives of people every day with our customized plastics: they reduce the weight of cars, make medication packaging more secure and improve industrial applications. Our workforce of 11.681 people is located in the places where our customers are – in 83 locations in 25 countries.

In the Automotive division, you will shape the mobility of tomorrow. System solutions in the areas of Battery Solutions, Structural Lightweight, Aerodynamics and Propulsion. This means: We protect the environment while also improving the driving experience of millions of vehicles.

It is time for a new challenge. And time to arrive where you want to be. We have grown steadily, together as a team. Would you like to grow too? For us and with us? If you answered yes, we have career opportunities for you. Do you have what it takes to spur game-changing innovation? Do you crave being a part of the solution, while enjoying training and learning opportunities? Then get ready to join the Röchling Automotive team and become part of the next chapter in our history. In our Akron location we are looking for an
