**We are looking for a:**

## Senior SAP FI-CO Specialist (m/f/x)

### Where we need you

We are seeking an experienced **Senior SAP FI-CO Specialist** to join our SAP Competence Center Global. In this strategic role, you will work closely with our Module Manager, supporting core activities and projects that drive our digital transformation and global harmonization initiatives.

### Main responsibilities:

- Actively support the implementation and ongoing development of S/4HANA as part of our digital transformation as an IT Reference Member Go4 (S4 Pre-Project)
- Serve as a technical lead for global SAP project implementations
- Manage 2nd level support and module customization globally
- Focus on manage incidents and changes for FI/CO modules on a global level
- Support to the Global FI-Standard and Harmonization Concept
- Ensure the creation and actual FI Technical Documentation
- Collaborate closely with the global team to continuously design and optimize processes
- Act as a vital link between Concept Key Users and both internal and external developers

### How to convince us

- Completed studies in (business) Informatics or a related field
- Strong experience with SAP FI module customization and process design in SAP R/3; familiarity with SAP SD/MM is a plus
- Project management experience is preferred, along with expertise in managing external IT service providers
- Proficient in English (B2 level or above)
- Willingness to travel

The ideal candidate has strong analytical and problem-solving abilities, with a structured and detail-oriented approach to work. You're a team player, enthusiastic about international collaboration and have excellent communication and concept development skills.

### What we offer

- Individualized new-hire training plan, flexible working hours, overtime compensation, working time account, opportunity to work from home, free on-site parking, company canteen, supplementary pension plan, access to the Corporate Benefits web platform and discounts with local businesses
- Opportunity for professional and personal growth in a fast-paced environment with challenging objectives
- Consistent access to both internal and external training programs for personal and organizational development
- Certified as a Famiglia&Lavoro Audit-approved entity by

the Autonomous Province of Bolzano

- The opportunity to work within a modern, technologically advanced production plant while experiencing the values of an international family-owned business
